Press Release: Water Rescue Bow Lane Quarries

Today (8/18/15) the Middletown Police Department along with South Fire District and Middletown Fire responded to the quarries at the end of Bow Lane after a 911 call was received stating the a male jumped into the water and did not resurface. All three of the department's dive teams assisted in the search. The male was pulled from the water unresponsive by members of the South Fire District. The male was then transported by ambulance to the local hospital.

No further information on the medical status of the male victim.

The Middletown Police Department's Major Investigations Division is still and investigating the incident and we will be withholding the identity of the male victim until further notice.

No further information at this time.
